State Officers

Division and County Presidents and Catholic Action Officers:

Dear Sisters,

My name is Brianna Maura Curran, and I will be your Catholic Action Officer from July 2021 to July 2023. I am so honored to join the Pennsylvania State Board and grateful for your vote of confidence! As I mentioned during convention, I am always available and if there is any way I can help please let me know. I am only a call or text message away!

The main reason that I joined the LAOH was my strong passion for helping others. I truly believe we must invest our time and energy into helping our community and those in need. Together we can make a positive impact and potentially change someone's life for the better. As Mother Teresa often shared, "We can do no great things, only small things with great love."

SOAR! (Support Our Aging Religious) provide financial assist to ensure the safety, peace of mind, and dignity of aging and infirm Sisters, Brothers and Priests. And Project St. Patrick cards provides scholarships that will support seminarians and religious vocations in local Hibernian's dioceses. We have at least two ways that we can support these amazing groups! One is we can continue to organize our annual fundraisers and the second is to share with our friends and family the amazing work of these two organizations. Whether on Social Media or during a family dinner. The more awareness that we can spread as the LAOH will potentially leads to additional funds for these organizations.

Another saying that I grew up with was "Look for the helpers. You will always find people who are helping" by Fred Rogers. I am so proud to be a part of the LAOH and the amazing work each division does for those in need. I would ask if you can please post on our LAOH PA State Facebook page and email me with details of your upcoming events and fundraisers. As your State Officer, I would like to help support and promote your efforts. We are a family and a sisterhood, and together we are the past, present and future of the Ladies Ancient Order of Hibernians. So let us continue this amazing work together!

Thank you and God bless!

Brianna M. Curran
