

Hibernian Digest Submissions

The deadlines have changed: The deadlines are now:

The **1ST** of every **EVEN** month; February, April, June, August, October, December.

Please send your submissions to assthibernianeditor@gmail.com as per the specifications below.

Please submit articles and photos as follows:

Article: text in a Word format, Times New Roman 12 pt. font.

Photos: are to be sent separate and must be 1 MB or larger.

Tag line for photo: should be sent as a separate word document.

All submissions must be sent as attachments; not typed inside the email.

Please limit Division news submissions to 375 words or less. This will help us get more articles published.

Some fine details:

1. All photos submitted must be **CAMERA** ready.

*Use a camera to take pictures, **not cell phones**, and set the camera on "FINE" and "LARGE." If your camera does not have such settings, your division, county or state president should appoint someone who has an adjustable camera to do the publicity.

Pictures will be rejected for the Digest if they are not at least 1 megabyte or larger.

2. Submit one attached word document per article.

*If attaching a photo, please attach it separately along with another word document for the tag line on the photo.

3. When emailing I articles please note "**Digest**" in the subject line.

Lastly, just as a reminder, we are limited on the number of articles and photos we can submit and have no say in what does or does not make the issue.

Any questions or concerns, please do not hesitate to reach out.

Yours in Friendship, Unity, and Christian Charity,
Maura O'Donnell Roszyk
